

## Certificate of Analysis

30.04.2024

| <b>Product name:</b> M-Budget Magnesium 200mg             |                     | <b>Manufacturing date:</b> 01.2024 |
|-----------------------------------------------------------|---------------------|------------------------------------|
| <b>Dosage form:</b> effervescent tablets                  |                     | <b>Expiry date:</b> 07.2026        |
| <b>Material number:</b> 965188 / 37100410                 |                     | <b>Shelf life:</b> 30 months       |
| <b>Batch number:</b> L04071                               |                     |                                    |
| Tests and Methods                                         | Parameters          | Results                            |
| <b>Sensory Analysis</b>                                   |                     |                                    |
| appearance (organoleptic)                                 | light pink tablet   | complies                           |
| appearance of solution in 200 ml water (organoleptic)     | light pink          | complies                           |
| odour and taste (organoleptic)                            | fruity-orange       | complies                           |
| <b>Physical Analysis</b>                                  |                     |                                    |
| hardness (N) (breaking strength device)                   | $\geq 30$           | 35                                 |
| dissolving time (s) (timer)                               | $\leq 180$          | 54                                 |
| <b>Chemical Analysis</b>                                  |                     |                                    |
| content of magnesium (mg/100g) (complexometric titration) | 5,714 (4,571-8,285) | 5,395                              |

Hereby we confirm that the raw materials of the above mentioned mixture batches are weighed exactly.

Mixtures: 1015823, 1015824, 1015825
